First of all, I would like to thank Dr Margaret Barker and Fr Maximus Lavriotes for all their help and support.

The text of the Bible is the New King James Version from <https://www.blueletterbible.org>

The Mac test to speech voice Serena had trouble pronouncing tabernacle, so made a quicker clip and used <http://audiotrimmer.com> to trim it (I tried other various English accents, and all had various problems).

Microsoft PowerPoint and Mac's Preview were very handy for working with pictures.

NOTE: the image is actually copyright Logos Bible Software, who have given me permission to use it.

The 'furniture' items of the picture were copied and used elsewhere in the presentation, and the tent top has also been used. The table has been modified to enable the bread to be shown separately. 3D formatting has been added also where appropriate.
