Also added to this is, "If you reproduce or re-purpose, be sure to credit this blog and link back to the post", so I take it my use of the beautiful stones for a rainbow is ok. The light blue stone has a pink recolouring to make it violet/purple-ish for the rainbow.

Dear Richard,

Apologies for the delay in getting back to you.

It is fine to use that image on your site. **Please could you just add a credit (under the image) with Q-files.com and preferably as a link.**

Thanks and best wishes,
